Dear Families,

Again it is time to look ahead and plan for Hebrew School - next year! We are looking forward to the 5771-72 school year already as we have so many ideas to extend our programs, lessons, and celebrations from what we have done this year. However, none of our plans can be realized without children in the rooms to bring it all to life! We need you to let us know what your plans are and make your commitment to DRRS so we can solidify our staffing, physical upgrades, and supplies. It is important to us to continue to show our success by being prepared for all of our children; this can only be done well when we have an idea of who to expect and how to begin preparing for your children's needs.

Our schedule for the fall is a little different from what we have done in the past:

- 1.** Our third graders will come on Sundays only; this is the same schedule as kindergarten, first, and second grade. All Sunday classes will continue to begin at 9:30 and end at 12:30. We will continue to provide a small morning snack for all of the children (food allergies will be taken into consideration when planning snacks).
- 2.** Fourth, fifth, and sixth grade will continue to meet on Sundays and Wednesdays. There is a change in the Wednesday timing; class begins promptly at 5:00pm and ends at 6:30pm. We will open the classrooms at 4:45 and sell kosher snacks up until 5:00 when class begins.
- 3.** The seventh graders will only meet on Sundays; they will be working with their B'nai Mitzvah tutors during the week.
- 4.** For seventh graders with little or limited Hebrew school experience, we will offer an additional Wednesday class designed to solidify their skills in order for them to fully participate in their Bar/Bat Mitzvah service.

Attached you will find the registration form for your child/ren and the payment options for you to choose from. If you turn in this paperwork by June 5, 2011, the \$50.00 registration fee per child will be waived. The first payment for all tuition options is September 1, 2011. We look forward to an exciting school year with your child. Please let us know about any families who may be interested in our Hebrew School. We would love to have them see what we are doing now and share some of our ideas for next year!

B'Shalom
